Sorry I Wasn't What You Needed James Bailey

C.J. Neubauer's family was dysfunctional long before his mother walked out. At eight, he was just too young to realize it. Now 32, he has spent his entire adult life estranged from the people who should mean the most to him. But when his father kills himself, C.J. is thrust right back into the multi-fronted battle he escaped upon graduating college ten years ago.

Almost immediately upon his return home, long-smoldering emotional brush fires flare up with his older brother, sister, and mother--who curiously seems to be the only one upset by his father's death. Sifting through his dad's belongings, C.J. uncovers one secret after the next, revealing how little he really understood his parents--and himself.

Alternately heartfelt and laugh-out-loud funny, this darkly comic family drama will appeal to fans of Jonathan Tropper and Matthew Norman.

From reader reviews:

Charles Ginter:

As people who live in typically the modest era should be change about what going on or information even knowledge to make these people keep up with the era which is always change and advance. Some of you maybe will certainly update themselves by reading through books. It is a good choice for yourself but the problems coming to an individual is you don't know what kind you should start with. This Sorry I Wasn't What You Needed is our recommendation to help you keep up with the world. Why, because book serves what you want and need in this era.

Thomas Obrien:

Reading a guide tends to be new life style within this era globalization. With examining you can get a lot of information that may give you benefit in your life. Having book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. Lots of author can inspire their own reader with their story or even their experience. Not only the story that share in the ebooks. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors these days always try to improve their skill in writing, they also doing some analysis before they write on their book. One of them is this Sorry I Wasn't What You Needed.

Mabel Maddux:

This Sorry I Wasn't What You Needed is great reserve for you because the content that is full of information for you who also always deal with world and have to make decision every minute. This particular book reveal it details accurately using great coordinate word or we can claim no rambling sentences inside. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but hard core information with attractive delivering sentences. Having Sorry I Wasn't What You Needed in your hand like keeping the world in your arm, information in it is not ridiculous 1. We can say that no reserve that offer you world in ten or fifteen minute right but this e-book already do that. So , this is good reading book. Heya Mr. and Mrs. busy do you still doubt which?

Leon Bailey:

You are able to spend your free time you just read this book this guide. This Sorry I Wasn't What You Needed is simple to bring you can read it in the park, in the beach, train as well as soon. If you did not get much space to bring the printed book, you can buy the particular e-book. It is make you easier to read it. You can save typically the book in your smart phone. Consequently there are a lot of benefits that you will get when you buy this book.
