AS SURE AS THE SUN RISES portrays the passionate love affair between Jack Taylor, an Army officer, and Julia Ormandy, a Canadian doctor. They meet and fall in love in Laos during the latter years of the Vietnam War.

U.S. military action in Laos was an active and deadly part of the Vietnam conflict.

Even though the story takes place some 40 years ago, the years and the distance are of no consequence. The love Taylor and Ormandy shared is as fresh and vibrant today as it was back then. It is no different from that which you feel for 'the love of your life.'

The message in this book, if there is any, is to cherish those you love. What you have today can disappear quickly. As sure as the sun rises, this is true.
