It's not every day you get a friend request from the dead girl haunting your video games. **I_AM_KRONOS** thrills with a spine-tingling blend of gaming, sci-fi, and supernatural romance. Keven Meyers, gamer and classic underachiever on the fringe of cool, gets a friend request from Sierra Sands, recently deceased and haunting his video games. Sierra is stuck in the Nexus, the center where all the universes and realities collide. She desperately needs Keven's help to stop Silas, another lost soul using his diabolical understanding of the world between the worlds to prey on gamers. When Silas attacks Keven in his video game, Sierra drags Keven's soul through the game and into the safety of the Nexus where he becomes painfully aware that he is inextricably connected, across universes and realities, to this dead girl. But with the infinite possibilities of multiple realities come options--options like his best friend Lexy Granger. Only the strength of the ties that bind Keven, Sierra, and Lexy, on multiple levels, in and out of existences, are strong enough to overthrow Silas. Rachel DeFriez, is also the author of the chilling zombie romance, *Grey Matters*.
