The Code of the Woosters

P. G. Wodehouse

The Code of the Woosters P. G. Wodehouse

On the 25th anniversary of Wodehouse's death, booksellers and readers will be cheered to find the finest editions available of his classic novels--the first in a series of his best known works--by one of the greatest English comic writers of our time.

Fans devoted to the master of comic fiction P. G. Wodehouse are legion. He represents an antic high point in the world of farce and social satire. Best known for the creation of two fictional worlds based on Blandings Castle and the Wooster-Jeeves gentleman-valet duo, Wodehouse is appreciated the world over for his exceedingly clever and comically savvy send-ups of the idle rich in Edwardian England.

In *The Code of the Woosters*, it takes all the ingenuity of Jeeves, the "gentleman's gentleman" extraordinaire, to rescue his hapless and hopelessly obtuse young employer, Bertie Wooster, from the pickle of a plot to steal a silver jug from the home of an irascible magistrate.

With each volume edited and reset and printed on Scottish cream-wove, acid-free paper, sewn and bound in cloth, these novels are elegant additions to any Wodehouse fan's library.
