The Death of Ivan Ilyich and Master and Man

Leo Tolstoy

The Death of Ivan Ilyich and Master and Man Leo Tolstoy

This new edition combines Tolstoy's most famous short tale, *The Death of Ivan Ilyich*, with a less well known but equally brilliant gem, *Master and Man*, both newly translated by Ann Pasternak Slater. Both stories confront death and the process of dying: In *Ivan Ilyich*, a bureaucrat looks back over his life, which suddenly seems meaningless and wasteful, while in *Master and Man*, a landowner and servant must each confront the value of the other as they brave a devastating snowstorm. The quintessential Tolstoyan themes of mortality, spiritual redemption, and life's meaning are nowhere more movingly and deftly explored than in these two tales.

This unique edition also includes a critical Introduction and extensive notes by Ann Pasternak Slater, a Fellow at St. Anne's College, Oxford.
