**Budgeting: Third Edition: A Comprehensive Guide** Steven M. Bragg

Budgeting shows you how to assemble a complete system of budgets, including budgets for revenue, production, overhead, administration, and compensation. It also addresses several variations on the basic budgeting concept - the flexible budget, conditional budget, and zero-base budget. The book also delves into how to operate a business without a budget. Finally, there are many procedures, controls, and reports designed to complement a budget.
