Burn Mark Laura Powell

In a modern world where witches are hunted down and burned at the stake, two lives intersect. Glory is from a family of witches, and is desperate to develop her 'Fae' powers and become a witch herself, though witch-activity carries a threat of being burned at the stake. Lucas is the son of the Chief Prosecutor for the Inquisition with a privileged life very different from the witches he is being trained to prosecute. And then one day, both Glory *and* Lucas develop the Fae. In one fell stroke, their lives are inextricably bound together.
