Feedback, the new fiction novel by Lisa Montanino takes you on a yearlong journey in the life of Claire Convenzionale—a prominent radio deejay in New York City who breaks off an engagement with her fiancé and feels like her world has fallen apart. Little do her fans know of the turmoil behind Claire’s voice as she bravely broadcasts Monday through Friday. With the arrival of two interns—Shane Salinger and Jared Parker, Claire finds that they are surprisingly funny and inspiring forces that will help her regain her optimistic spirit. As time goes on, Claire faces serious issues, requiring her to make difficult choices. All these trials help her build the self-awareness and the courage she will need to silence the sabotaging Feedback she hears in her head.
