When it was first published in 1989, The Mambo Kings Play Songs of Love became an international bestselling sensation, winning rave reviews and the Pulitzer Prize for Fiction. This is the story of the memorable Castillo brothers' journey from Havana to New York's Upper West Side. The lovelorn songwriter Nestor and his macho brother Cesar find success in the city's dance halls and beyond as they struggle with elusive fame and lost love in a richly sensual tale that has become a cultural touchstone and an enduring favorite. "By turns street-smart and lyrical, impassioned and reflective, The Mambo Kings Play Songs of Love is a rich and provocative book—a moving portrait of a man, his family, a community and a time," wrote the New York Times.
