The Student Workbook included as part of your Exploring Economics Integrated Learning System provides additional study reinforcement and support as well as practice for exams. Acting as a true extension of the textbook, the Student Workbook is structured on a section-by-section basis that matches up exactly with the text's organization. It guides you through various exercises designed to test your comprehension and mastery of the material, including true-false, multiple-choice, and application-type questions. These exercises move from relatively easy to more difficult, allowing you to experience success and build confidence as you proceed. In addition, there is an outline of each chapter section to aid you in preparing for exams. The answers to all Student Workbook activities are included, so you can get immediate feedback on your work. You can choose to do the activities in the Workbook in conjunction with completing each bite-sized section of the textbook, or you can work through a full chapter at a time if you prefer.
