The Sociology of Health and Illness: A Reader (Routledge Student Readers)

The Sociology of Health and Illness: A Reader (Routledge Student Readers)

A wide-ranging collection of both classic writings and more recent articles in the sociology of health and illness, this reader is organized into the following sections:

- * health beliefs and knowledge
- * inequalities and patterning of health and illness
- * professional and patient interaction
- * chronic illness and disability
- * evaluation and politics in health care.

With a thorough introduction which sets the scene for the field as a whole, and section introductions which contextualize each chapter, the reader includes a number of different perspectives on health and illness, is international in scope, and will provide an invaluable resource to students across a wide range of courses in sociology and the social sciences.
