**At Least My Belly Hides My Cankles: Mostly-True Tales of An Impending Miracle** Paige Kellerman  
At Least My Belly Hides My Cankles: Mostly True Tales of An Impending Miracle is the hilarious debut of writer, humorist Paige Kellerman. From the moment her positive test result is revealed in a fog of canine flatulence, to the day she's gently hoisted onto the delivery table by a front-end loader, Paige guides you through her pregnancy with twins, careful to only hold one of your hands in case you need to cover your eyes with the other. You'll laugh out loud as she recounts the horrors of birthing class, her struggles with morning sickness, sexy Halloween costumes, applying for maternity leave — and of course, the impossible task of corralling those wayward cankles — all in her own inimitable style. This book is a must-read for any mother, or anyone who has a mother to whom they probably need to apologize.
