Inside the CIA's Secret War in Jamaica Casey Gane-McCalla

Inside The CIA's Secret War In Jamaica tells the story of the campaign from the United States to destabilize the Michael Manley government in 1976 due to his ties to Fidel Castro. The book covers the rise of violence between the PNP (People's National Party) and the JLP (Jamaica Labor Party), the assassination attempt of Bob Marley, and the rise of the Jamaica Shower Posse and its ties to the CIA. Gane-McCalla also takes an in-depth look into the events leading up to 1976 for both the CIA and the country of Jamaica including Jamaica's history of pirates and slave rebellions, and its road to independence. To understand the nature and history of the CIA, the book gets to the bottom of the John F. Kennedy assassination, Watergate, CIA heroin smuggling in Laos during the Vietnam War, and cocaine trafficking during Iran-Contra, which involved the same players who were involved in destabilizing Jamaica.
