A resource for young learners, this series of bilingual visual dictionaries comes in a CD-ROM format to help children add to their vocabulary. Useful, everyday words are grouped into subjects so that children can focus on one set of related words at a time, while games such as word searches, jumbles, and matches help make learning fun. By clicking on a picture, users can hear the word pronounced in two languages, making this an ideal learning tool for both individual use and classroom settings.
