Seek God Everywhere: Reflections on the Spiritual Exercises of St. Ignatius Anthony De Mello

The Spiritual Exercises of St. Ignatius is one of the great masterpieces of the Christian canon. A series of meditations and practices that guides seekers on a journey to spiritual perfection, this manual has been used by millions of religious and lay persons alike for centuries.

Now, in the first new Anthony de Mello book in more than fifteen years, the bestselling author of *Awareness* takes readers on an in-depth exploration of the practices of St. Ignatius and offers simple guidance and wisdom to help readers navigate the sometimes-confusing byways on the journey to God. Drawn from a series of talks de Mello gave before his untimely death in 1987, this book challenges us to achieve new levels of understanding and inner exploration, with chapters on how to hear the voice of the divine, the need for repentance, and how to ascend to love in our day-to-day life,.

A must-have for fans of de Mello's work and anyone interested in learning to pray in profound and meaningful ways, *Seek God Everywhere* is an inspirational and practical work that will transform your life.
