The Egyptian Strategy for the Yom Kippur War: An Analysis Dani Asher

This volume examines the military strategy and issues that Egyptian war planners faced during the 1973 Yom Kippur War. Of major interest is the relationship between the political and military leaders and how that affected the buildup and course of the conflict. Taking this as a starting place, the author concentrates on how Soviet military doctrinal changes presented themselves between the conclusion of the Six-Day War and the Yom Kippur War.
