## **Deal With This** Lucy Monroe

Alan Hyatt could do his job in his sleep, and when the Goddard Project sends him to investigate a case of high-tech espionage in the Vancouver film industry, he finds a perfect reason to work in bed. But sizzling actress Jillian Carlyle also happens to be his landlady, and she's got a hard-and-fast (so to speak) rule that keeps her from dating her renters. While Alan's cover as a reporter gets him close to all the suspects on the set of Jillian's sci-fi show, playing a background actor at her suggestion to get his story? Well, that's something else--but he's not about to turn down a red-hot redhead, even if she keeps throwing him curves...

Jillian just can't understand it. Sure, Alan is six-feet-something of chiseled ruggedness with gray eyes and an irresistible growl in his voice. But hello? She doesn't do relationships--even of the casual kind--with men who impact more than her senses. No one is getting a chance at her heart. Especially not one of her renters. Still, there's nothing wrong with enjoying Alan from afar--but not too far, or she wouldn't be able to fully appreciate his rock-hard abs when he's working out in the home gym. If only he didn't make her feel safe and oh so right when they touched...
