Owen and Mzee Michelle Y. Glennon

This is a little story about BIG LOVE. It's based on the true story of Owen and Mzee, a baby hippopotamus and an old tortoise. After the 2005 Tsunami, Owen, the baby hippo was orphaned. Wildlife rangers rescued him and brought him to the LaFarge Park in Mombasa, Kenya. There, Owen immediately adopted Mzee as his surrogate mother. Told in brilliant color illustrations, it's a wonderful tale about the resilience of love and life. Both children and adults will love this story as it warms the heart, page by page.

From reader reviews:

Patrick Perkins:

Do you have favorite book? Should you have, what is your favorite's book? Reserve is very important thing for us to know everything in the world. Each publication has different aim or goal; it means that e-book has different type. Some people really feel enjoy to spend their a chance to read a book. They can be reading whatever they have because their hobby is definitely reading a book. What about the person who don't like reading a book? Sometime, man or woman feel need book when they found difficult problem or perhaps exercise. Well, probably you'll have this Owen and Mzee.

Sharon Rowe:

In this 21st hundred years, people become competitive in each and every way. By being competitive today, people have do something to make these individuals survives, being in the middle of the crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. That's why, by reading a guide your ability to survive boost then having chance to stand than other is high. In your case who want to start reading a book, we give you that Owen and Mzee book as nice and daily reading publication. Why, because this book is more than just a book.

Sherry Duncan:

Information is provisions for folks to get better life, information today can get by anyone in everywhere. The information can be a understanding or any news even restricted. What people must be consider if those information which is inside the former life are hard to be find than now's taking seriously which one is acceptable to believe or which one the resource are convinced. If you have the unstable resource then you buy it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Owen and Mzee as your daily resource information.

Darlene Gutierrez:

Spent a free a chance to be fun activity to complete! A lot of people spent their down time with their family, or all their friends. Usually they accomplishing activity like watching television, gonna beach, or picnic from the park. They actually doing same task every week. Do you feel it? Do you want to something different to fill your own free time/ holiday? Might be reading a book could be option to fill your totally free time/ holiday. The first thing that you will ask may be what kinds of reserve that you should read. If you want to test look for book, may be the e-book untitled Owen and Mzee can be fine book to read. May be it might be best activity to you.
