This mainstream, technology infused (includes FREE Virtual Explorations: With Map The Stats CD-ROM and InfoTrac College Edition), best-selling text is noted for its especially strong integration of compelling and engaging "Lived Experiences" - extended examples that focus on various social issues to illustrate chapter coverage. These social issue extended examples are carried throughout the chapter in various boxes, features, and exercises. Kendall's text is also known for its exceptional coverage of classic and contemporary theory, along with its integration of race, class, gender, and age perspectives. The author's vivid, applied, personal writing style engages students, and her compelling everyday examples make sociology particularly relevant to the diverse student population of today. The author shows students that sociology involves important questions and issues that they confront both personally and vicariously.
