Book 2 of the Tribe of the Jaguar series continues the extraordinary dream relationship between Anani, born in 600 AD Venezuela and her modern counterpart, Lorinda Mayfield. The visions intrigue Lorinda with glimpses of life among the ancients but are they enough to bend her to Anani's purpose? Or will Lorinda's choices among the living destroy all that Anani hopes to achieve. Is it possible for Lorinda to let the past shape her future? Is it even a good idea - or will the evil that lurks in the fifth direction find a way into her soul? Will love be hers? Or will she, like women immemorial, claim her right to change her mind - and maybe ruin everything? Watch what happens next against the backdrop of hot, tropical colors when this woman of the cool north returns to where she first found love. What waits for her in the sunshine of Isla Margarita - happiness or death? Caribbean Amerindian genre at its best where history meets the spiritworld and love twists and turns like the winds of Huracan.
