Tiffany is upstairs practicing her makeup when she hears a commotion outside. The brat heads downstairs to check out what is happening and discovers that another car in her neighborhood has been broken into.

One of her former teachers, Mr. Sanderson, is staring at her along with her step so Tiffany flirts with them by dropping her lipstick case and bending over. Mr. Sanderson gets a little too excited and Tiffany sees something large that she likes.

Tiffany starts gossiping with her friend Scarlet later on that evening. The topic turns to men, specifically Mr. Sanderson, and the brat hatches a plan to verify what her eyes saw a few nights ago.

While cruising the neighborhood with Mr. Sanderson on town watch, Tiffany puts her plan into motion and ends up verifying the size of Mr. Sanderson in multiple ways.

Welcome to the world of Tiffany, the neighborhood brat, whose tawdry and sultry ways tease, taunt, and seduce the men in her life. Come join this 6,000-word adult only journey which is going to heat up the night.

Tiffany asked Mr. Sanderson if he could call her number and he agreed hoping that the bright display would stand out in the darkness and against the grass. He dialed her number and watched as the smartphone lit up in the tree lawn of the next house.

"Thank you, Mr. Sanderson. Let me go get it."

Tiffany hopped out of the SUV and bounced her way over to the phone her body jiggling in the headlights. Mr. Sanderson tried to adjust himself in the front seat while staring at her in the darkness.

When Tiffany bent over to pick up her phone facing the car, there was a rip so loud that it could be heard in the next county.
