How would you like to perform with the passion of an Oscar winning actor, compete with the drive and fervor of an Olympic athlete, or teach like you've got a Nobel Prize slung around your neck all while doing your homework? Believe it or not, you can do all of this and much more in the course of writing your college papers. This book takes you through the overlapping stages of the writing process, using game mechanics, cooperation, and learning styles to help you have as much fun as possible and take charge of your own education. With exercises and activities for groups and individuals, this text focuses on the meat of writing, the big picture elements that matter most in both college papers and real world writing situations, all with an eye toward enjoyment. Sit down, crack open this guide, and give your favorite notebook a big hug. You may not have a choice about writing your papers, but who says you can't love them?
